

Thimble Club Members Sell Christmas Seals

Of all plagues that have afflicted the world none is more deadly than tuberculosis, the "Great White Plague." Other plagues, ancient and modern, have swept a country or community for a few weeks, months or years. Tuberculosis has kept up its ravages year after year for more than 2,500 years. One person dies every three and one-half minutes, 17 every hour and 400 every day.

Tuberculosis can be prevented if all individuals will co-operate. More education, more nurses, dispensaries, sanatoria, hospitals and open-air schools are needed. The undersigned cases must be sought out. To this work the National Tuberculosis Association and its affiliated state and local associations which are financed largely by the sale of Tuberculosis Christmas Seals are giving particular attention. It now asks your co-operation in a campaign that will not cease until the "Great White Plague" has been stamped out.

Thimble club members who will work at the Bridgeport Trust company selling Christmas seals are: Mrs. Bertram Ainsworth, Mrs. Edward Barlow, Miss Honoria Blaup, Mrs. Kennard Bosc, Mrs. Alvin Bredt, Mrs. Lawrence Cornwall, Mrs. John Field, Mrs. David Fleming, Mrs. Jonathan Grout, Mrs. F. C. Hunt, Mrs. Hubert Morley, Mrs. Dudley Morris, Mrs. D. C. Patterson, Miss Emily Sanford, Miss Marjorie Smith, Mrs. Martin Waldo, Mrs. D. C. Warner, Mrs. William Webb and Mrs. C. G. Williams.
